11:00 AM

EuraTechnologies

11:00 – 11.45 Bitcoin is more than Internet money!
Bitcoin is a new currency and a disrupting technology. We would like to share with you how this technology works and how you can start receiving a payment with it. With the blockchain technology behind it, you will have access to more services like Trusted third party (TTP). We will give you metrics to inspire you!

Two ways to participate:

- **Get involved** and ask your questions directly
